My darlings

I was so pleased to-day to hear from a letter of gardener's that Raymond has returned to the flock how nice for you to have him at home I hope you have all had a really happy Christmas. How does he look! how is his leg! will it eventually recover! how long is it likely to take! I am eagerly awaiting all news concerning Ray. Well here Christmas is nearing and all our energies are being exerted towards the organisation of a thundering good Christmas. We are getting an P.N.S.A show including lovelies from CAIRO plus tons of food. Turkey ham sausages, pudding dates and oranges infact a nice little spread. Your parcels so gratefully received I had a bath to-day and used some of our special soap I smell simply lovely now! The magazines

were really marvellous and
all my brother officers
are indebted to pop for his
trouble in despatching them. We
are holding a desert cocktail
party on Tuesday, tons.
of officers coming from units
such as the 2. RHA, the
Bays, the Yorkshire Dragoons
and the 4 RHA including
Hugh Barrow, Alister Banks
Duncan Simons, infact this
week our social calender
is booked up fully. Plenty
of parties amongst a grand
lot of chaps, plenty of rest
still early nights alot of book
reading, and easy work. all love
Edwin
